Funeral Arrangement Disclosure Statement

Decedent _____

The Federal Trade Commission Regulation Rule on "Funeral Industry Practices" requires certain disclosures and prohibits misrepresentations. The following is a checklist we ask those that we serve to read and sign to verify that the funeral arrangement conference was conducted in compliance with the Federal Trade Commission Regulation Rule.

You, who made the funeral arrangements for the funeral and final disposition of the above-named decedent, do hereby attest to the following:

- 1) You were given a General Price List, effective 01/01/2023, prior to discussing the funeral arrangements or the selection of any funeral goods and services.
- 2) You were informed of the credit card payment policy regarding the 3% surcharge.
- 3) You were given a Casket Price List, effective 01/01/2023, prior to discussing caskets or the selection of a casket.
- 4) You were advised that the state or federal law does not require embalming except in certain, special cases.
- 5) Purchaser was not advised that state or local law requires the purchase of a casket for direct cremation or that a casket (other than an alternative container) is required for direct cremation.

***In** the event that outer burial containers are offered by this firm, you were given an Outer Burial Container Price List effective N/A, prior to discussing, or selection of, an outer burial container. In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or burial vault will satisfy these requirements. ***Not applicable at this mortuary.**
